

What do I do next?

If you think that you would qualify for a Bursary, you should complete an application form available from the School Office.

Please make sure that you fill in the form with all of the information required. If information is missing it will delay your application.

Please also make sure that your information is accurate, in particular, the details of the bank account that you want the Bursary paying into.

If you don't already have your own bank account you should explore opening one for your Bursary to be paid into, if your application is successful.

We cannot make payments directly into Post Office accounts.

16-19 BURSARY FUND 2022/23

THE FOUNTAINS
HIGH SCHOOL

POST –16

What is the 16-19 Bursary Fund?

The 16 to 19 Bursary Fund is money the government has given to local authorities, schools, colleges and other education and training providers (education institutions) to give to students who need financial help to stay in education.

There are 2 types of 16-19 bursaries:

- a vulnerable bursary of up to £1,200 a year for young people in one of the defined vulnerable groups
- discretionary bursaries that institutions award to meet individual needs. For example, for trips, meals, books and equipment.

What is the 16-19 Bursary Fund for?

The fund is intended to support students aged 16 to 19 in overcoming specific barriers to participation so they can remain in education.

We use the fund to provide students with support to fund:

- Transport
- Free meals
- Equipment/ Clothing
- Field trips and other course related-costs
- The costs of attending college interviews and open days
- Criminal Record (DBS) Checks

Yes. For a Vulnerable Bursary, if you are either in care or a care leaver we do not need you to prove you qualify . However if you are receiving Income Support or Universal Credit or are in receipt of DSA/ ESA/PIP we will need you to show us a recent letter confirming payment of the benefit(s).

How do I apply for a Bursary?

If you think that you qualify for a Bursary, you will need to complete an application form.

- All applicants need to provide a photocopy of any evidence at the time of submitting an application. Failure to do so may delay the processing of the application.

- If you are applying for a Discretionary Bursary, the head of your household will need to complete the financial assessment part of the application.
- You should hand your completed application form and any proof of benefits or income to the School office who will check that you qualify for a Bursary. The School will let you know if your application has been successful.

How is the Bursary paid?

The Vulnerable Bursary will be paid into your (student's) bank account. We cannot pay your Bursary in cash or into someone else's bank account unless they look after your finances with you.

You will receive Bursary support providing that you are still attending school and that we do not have any concerns about your behaviour whilst in school.

What happens if I leave the School?

If you leave the school and do not plan to return your Bursary will stop as of the date you leave.

If you move to another school or college you can apply to them for a Bursary. You should tell your new school/college that you have received a Bursary whilst at your old school. Your new school/ college will take the Bursary you have received so far during the year into account when calculating how much Bursary they will award you.
