Vocational Study Programme

Dear Parents/Carers

After another successful year your child has been recognised as a potential candidate for a vocational study programme. This is an exciting opportunity during year 14, and successful candidates will have the opportunity to train with a large, supportive employer as part of a National Employability Initiative.

As a school, we are very excited about the prospect of creating sustainable pathways that could lead to employment opportunities in the future for our young people. Therefore, we are holding an informal first parent meeting at Hobbycraft to provide further information and answer any questions that you may have.

Venue: Hobbycraft Distribution Centre (National) 1, Centrum 100 Business Park, Parkway, Burton Upon Trent DE14 2WA

Date: Thursday 18th May (please report to Visitor Reception)

We sincerely hope that you are able to attend the above meeting and look forward seeing you.

Please return reply slips by Monday 11th May or RSVP directly to enquiries-high@fountains.ctaffs.sch.uk (Tel number 01283 247 580).

Yours faithfully

Mr L Webster
Vocational Manager

Mrs B Rowley
